

Welcome to the 2022 Chesterfield Little League season! Our league was founded in 1988 with the intention to provide a safe, fun and competitive place to play softball and baseball and to help foster a strong sense of community within our young people. We have grown to support 800+ baseball players and 300+ softball players during the spring and fall season.

Our volunteers work to make our spring and fall seasons a positive and safe experience for players and their families. It's our goal to be role models and mentors for our youth who'll grow into adults who are also committed to giving back to their community. We are all shaping the next generation of community minded professionals and we want you to be a part of our team.

Our sponsorship options vary. This is a great opportunity for you to showcase your services. We print all banners and hang them on the fields at our Manchester High and Horner Park Complex locations facing inside so they are seen throughout the games. They remain up for the entire spring and fall seasons and are seen by thousands of eyes during CLL events and games as well as travel team games, interleague games, and tournament play. Through banners, logos on our website and our sponsor bags, we hope to help you grow your business so that you'll want to continue to partner with us.

Check out the Scoreboard & Dugout Sponsor option for 2022. This is a one time investment over the life of the dugout wrap (2-3 year expected life!)
